The Nordic Playground Institute hereby certifies that this product has been tested and risk assessed in production and found to be in compliance to the safety requirements of the European Safety Standard EN1176:2017 series and can be marketed and sold as such, providing the product is installed and maintained according to the manufacturer's specifications, and kept as tested.

The certificate does not cover the size, quality, weight or spreading of foundations, nor the compliance of electrical installations. The certificate holder can refer to this certificate in matters of sale, marketing and disputes, and may attach the Nordic Playground Institute certifications label to his product.

This certificate is valid until the listed validation date, unless cancelled earlier.
